## About Me

My name is Noufel Chouaib, and I am 22 years old. I hold a Bachelor's degree in Computer Science from Université de Bordj Bou-Arréridj. I have experience in web development and have worked with many programming languages and databases, especially SQL. Passionate about technology, problem-solving, and continuously improving my skills.

## Experience

### Softwar Developer (Freelance)

I have worked with various programming languages, including JavaScript, PHP, and Python. I have experience in web development using React.js and Tailwind CSS. Additionally, I have designed, optimized, and maintained relational databases, focusing on SQL (MySQL, PostgreSQL). I have also created and managed efficient database queries to improve performance.

## Education
